

Peer group presentations

- Peer-group presentation in class (06/11-2019) - **<10min**
- You will present your project, you should include the following:
 - Group members and competences
 - Working title
 - literature/background
 - workflow (How-to)
 - 'Plan B'
- **upload your presentations to campusnet before 06/11-2019**
- I will assign opponent groups (on spreadsheet), be ready to give feedback, include:
 - feasibility (time)
 - could it be done differently
 - 'Plan B'
